## Art Spinner

Print and cut out the spinner arrow and the circle.

Carefully place a piece of blue tack behind the circle end of the arrow and pinch a hole with a pencil. Do the same in the centre of the spinner circle where all the lines meet. Push through a split pin.

Your spinner is now ready to play with.

You will need:

- Scissors
- A split pin/ paper fastener
- Coloured pencils (optional)
- Paper
- A pencil
- Objects for a still life

Pictures from books, magazines or online
